525 MILES
OF THE
UNION PACIFIC RAILROAD
Running West from Omaha
ACROSS THE CONTINENT,
ARE NOW COMPLETED.

THIS BRINGS THE LINE TO THE EASTERN BASE of the Rocky Mountains, and it is expected that the track will be laid thirty miles further to Evans Pass, the highest point on the road, by January. The maximum grade from the foot of the mountains to the summit is but eighty feet to the mile, while that of many eastern roads is over one hundred. Work in the rock cuttings on the western slope will continue through the winter, and there is now no reason to doubt that the entire grand line to the Pacific will be open for business in 1870.

The means provided for the construction of this Great National Work are ample. The United States grants its Six Per Cent. Bonds at the rate of from $16,000 to $48,000 per mile, for which it takes a *second lien* as security, and receives payment to a large if not to the full extent of its claim in services. These bonds are issued as each twenty mile section is finished, and after it has been examined by the United States Commissioners and pronounced to be in all respects a first-class road thoroughly supplied with depots, repair-shops, stations, and all the necessary rolling stock and other equipments.

The United States also makes a donation of 12,800 acres of land to the mile, which will be a source of large revenue to the Company. Much of this land in the Platte Valley is among the most fertile in the world, and other large portions are covered with heavy pine forests and abound in coal of the best quality.

The Company is also authorized to issue its own First Mortgage Bonds to an amount equal to the issue of the Government and no more. Hon. E. D. Morgan and Hon. Oakes Ames are Trustees for the Bondholders, and deliver the bonds to the Company only as the work progresses, so that they always represent an actual and productive value.

The authorized capital of the Company is One Hundred Million Dollars, of which over five millions have been paid in upon the work already done.

EARNINGS OF THE COMPANY.

At present, the profits of the Company are derived only from its local traffic, but this is already much more than sufficient to pay the interest on all the Bonds the Company can issue, if not another mile were built. It is not doubted that when the road is completed the through traffic of the only line connecting the Atlantic and Pacific States will be large beyond precedent, and, as there will be no competition, it can always be done at profitable rates.

It will be noticed that the Union Pacific Railroad is, in fact, a *Government Work*, built under the supervision of Government officers, and to a large extent with Government money, and that its bonds are issued under Government direction. It is believed that no similar security is so carefully guarded, and certainly no other is based upon a larger or more valuable property. As the Company's

FIRST MORTGAGE BONDS

are offered for the present at 90 CENTS ON THE DOLLAR, IN U. S. CURRENCY, they are the cheapest security in the market, being more than 15 per cent. lower than U. S. Stocks. They pay

SIX PER CENT. IN GOLD,

or over NINE PER CENT. upon the investment. Subscriptions will be received in Portland by

FIRST NATIONAL BANK
OF PORTLAND, OREGON,

and in New York at the Company's Office, No. 20 Nassau street, and by

CLARK, DODGE & CO., Bankers, No. 51 Wall st.,

and by the Company's advertised Agents throughout the United States. Remittances should be made in drafts or other funds par in New York, and the bonds will be sent free of charge by return express.

A NEW PAMPHLET AND MAP showing the Progress of the Work, Resources for Construction, and Value of Bonds, may be obtained at the Company's Offices or of its advertised Agents, or will be sent free on application.

[DISPATCHES TO THE OREGONIAN.]

DATES TO FEBRUARY 8.

Congressional.

WASHINGTON, Feb. 7.—The Senate after various preliminary business, took up Patterson's substitute for an act regulating the tenure of certain offices. They then struck out the clause authorizing the Secretary of State to appoint five special agents. An additional section was adopted authorizing the President to appoint Indian Agents for Iowa, Dakota and Montana. The further consideration of the bill was postponed.

Henderson introduced a bill to create an Indian Department. It provides for the government and civilization of the Indians. Also, a bill to render more efficient the condition of Indian Affairs was referred.

The Senate provided for an adjournment to Monday.

Resolution passed to print ten thousand copies of the reports on the Stanton matter. The bill of addition to the Tenure of Office Act was again taken up. Cole offered an amendment declaring an office vacant after thirty days instead of ten, and no further appointment without the consent of the Senate. This was adopted and the bill passed. It authorizes twenty five special agents to be appointed, each by the Secretary of the Treasury; the Postmaster-General twenty-five additional; in the Treasury Department five, by the Secretary of State.

A bill passed authorizing the Southern Mississippi Railroad to build a bridge over the Mississippi. In the House a bill passed restoring to market lands along the line of the Pacific Railroad. It further provides that nothing in former acts shall be held to authorize the withdrawal from entry, under the provisions of pre-emption on the Homestead Acts, along the routes of such railroad, provided the lands shall be rated at two dollars and fifty cents per acre and be subject to entry under such laws. The morning hour expired.

Howard offered a resolution providing for a new drawing of seats, on the ground that six States were not represented when the first drawing took place. The resolution created quite a breeze, but was finally adopted.

Wilson rose to a question of privilege. He read a statement in the New York *Herald*, to the effect that he (Wilson), as Chairman of the Judiciary Committee, testified that he had heard several prominent Supreme Judges, including Chase, declare the reconstruction laws unconstitutional. He pronounced the statement wholly false.

Johnson rose to a personal explanation regarding Pile's calling the resolution offered by him, a few days since, in regard to the citizen's bill and Chinese, a burlesque on common sense. He said he did not hear the obnoxious expression at the time, or he should have replied to it. He spoke in a humorous and sarcastic tone.

The House went into Committee of the Whole, and resumed the consideration of the Legislative, Judicial and Executive appropriation bills. Very [illegible] amendments were [illegible]. Some [illegible] were adopted and others were rejected. Among the amendments rejected, was a proposition to strike out the appropriation for the *Congressional Globe*.

The Committee rose and Butler reported the Pension appropriation bill. It was [illegible] that the [illegible] to-morrow should be devoted to general debate.

Washington News.

WASHINGTON, Feb. 7.—The new British Minister was presented to-day. Sec. [illegible] was present. The following is the public debt statement of February 1st, less cash in the Treasury: $2,497,315,373 10.

FROM CANYON CITY.

NEW MINES DISCOVERED ON WILLOW CREEK—GREAT EXCITEMENT!

[From the Mountaineer]

The following letter was received in this city by Mr. Frank McBean, and kindly furnished us for publication:

CANYON CITY, Jan. 27, 1868.

FRANK MCBEAN:—We have had communication with Willow Creek in the past week, and it has been the cause of a party of men leaving here for the new mines. Two men that once lived on Elk Creek, came in town last week with some of the finest specimens of gold bearing quartz that I ever saw. Judge Miller, Judge Baldwin, Tom Howard and quite a number of others of our old friends have gone out with the party, and I expect to hear from them in a few days, as the distance from here to Willow Creek on snow shoes is only about thirty five miles. So you see they can make it in about one and a half days from this place. I send you a few of the specimens and I will secure for you a claim on one of the extensions, as I sent your name on the list by Judge Miller.

I will write to you again by next mail and let you know the latest news from the new mines.

Yours respectfully, E. E. TURK.

CANYON CITY, Jan. 25, 1868.

We are housed up with one of the severest snow storms that has ever been experienced in this county by the oldest settlers; it commenced snowing on the 23d day of Dec., and the ground has been covered ever since and constantly increasing, with the coldest weather we have ever experienced here. Mining has been brought to a close, and but little will be done before the 10th or 15th of April. There have been no diggings struck and no prospecting as the snow is too deep to go about except on snow shoes, and the winters are long and severe in most of our mountain camps. In Olive and Granite Creeks the snow is from five to seven feet deep and in Elk Creek from three to four, and on the North Fork of John Days River from three to five feet deep, and mining operations are all completely closed up until in April or May, when the season opens for placer mining. As to the respective merits of the various camps I have mentioned, I will say none of them have reached our expectations. Olive, Granite and Elk Creeks are all old camps and have seen their palmiest days; the Chinese have taken the first two and in Elk district there is not to exceed forty men at present. But of the North Fork I will speak as it is comparatively a new camp. There are but few miners on the North Fork this winter. The mining seasons are short. There was a considerable excitement about it last fall with a rush from this place, but most of those that went over came back as fast as they went, being satisfied with Canyon City. But two or three claims are found to pay on the lower John Days and three or four on the upper part of the river, but all agree that there is gold on the North Fork of John Days, but not in paying quantities. But we hope that the coming season may develope some more good diggings on the river.

We are not without excit[illegible]. Willow Creek, sixty miles east of us, is all the go. We are constantly seeing reports of new discoveries from Willow Creek and other creeks in that vicinity. Letters from there report constant new discoveries and rich strikes; the miners are melting snow and rocking and doing well, there will be a big rush from here to that camp in the spring, and for the benefit of those who wish to go to Willow Creek mines from the Dalles I will say come by Canyon City, and I will give my reasons. From the Dalles to Canyon is one hundred and eighty miles, a good road. The stages make the distance in three days. From Canyon City to Willow Creek is sixty miles, over one of the best mountain wagon roads in the State and will be made in one day by the stages. Making four days from the Dalles to Willow Creek mines and at less cost than by any other route. From present indications Willow Creek mining district is destined to be one of the richest and most extensive mining camps in Oregon.

The H[illegible]gman of Mrs. Surratt.

They who have been lauding General Hancock as a second Washington, appear to have forgotten that he bore a prominent part in the executi[illegible] of those D[illegible]mocrats who served their party so well by assassinating President Lincoln. But all Democrats have not forgotten it, and there are [illegible] who do not hesitate to bring it up against him, now that he is endeavoring to obtain the D[illegible]cratic nomination for the Presidency. The New York *Day Book* responds to the efforts of the *World* and other journals which are laboring for his nomination, by publishing this reminiscence of Hanco[illegible], d[illegible] up in the following mild and gentle lang[illegible]:

Hancock was the hangman of Mrs. Surratt. He was one of Holt's bright and shining tools in that illegal and murderous business. If he were fairly and honorably tried by *the law*, he would be hanged for that deed. It was a revengeful, malicious murder. Nor did the form of military trial [illegible] it any less a murder, *according to law*. General Hancock cannot execute the order of a band of assassins, and then excuse himself by saying that he, individually, had no malice. The law knows no such excuse as that.

OLD MR. TOOTS.—We have often had occasion to notice the fact that Beriah is continually cudgelling his brains and torturing his invention to find ways of talking about himself His paper is contemptible in every other respect but in egotistical ability. It is really admirable to see how many ways he can devise of varying the whining tones of his common place beggarly rhetoric [illegible] treating of this topic. His last effort is to publish letters addressed to hi[illegible]self, commending his ability as an editor! One of these letters purports to come from a prominent Republican of this State; another from "one of the most distinguished lawyers of California." This last distinguished individual says he has preserved [illegible] of Beriah's leaders "as specimens of political essay writing." Now we wonder when the happy thought struck Beriah of writing to himself [illegible]? He never looks at books, and probably has not read one for thirty years, else we should accuse him of borrowing the brilliant idea from the celebrated Mr. Toots. That noted character was continually engaged in writing flattering letters to hi[illegible]self, though it does not [illegible] that he ever printed any of them. Beriah has [illegible] perfected the system of which Mr. Toots was the inventor. It doesn't matter how he came by the idea; the fact is indisputable that old Mr. Toots is [illegible] of Toots the younger.

Says the Chicago *Tri[illegible]*: "The Confederate Conventions of Ohio and Indiana have nominated Mr. Geo. H. Pendleton for the Presidency. There is an unblushing frankness in their pro[illegible]dings that forcibly recalls the Chicago Convention of 1864, when the same Mr. Pendleton was nominated for Vice President. Pendleton has not only avowed himself in favor of issuing two thousand millions of irredeemable shinplasters, and forcing them upon the holders of the Government bonds, but has declared repeatedly that in his belief slavery has not been abolished in this country, and that it cannot be abolished even by a Constitutional amendment. There is nothing like having an outspoken candidate, and Pendleton fills that bill completely."

On the 10th of January, a debate occurred in the House of Representatives relative to the whisky tax. Schenck had the floor, and the Democratic members very frequently interrupted him, so that the debate unavoidably took the direction of political matters. At last Schenck said: "What there can be in whisky that occasions us always, when we come to discuss anything about it, to run into an inquiry about the fundamental principles of the Democratic party, the other side may explain. It may be the attraction of affinity!" He pro[illegible] without further interruption.

We are informed by a letter from Oakland that on Sunday the 2d inst., two brothers named Isaac and Joseph Wadkins, living on Elk creek in the Umpqua valley, went out to hunt for deer, and while in pursuit of one they had wounded, the rifle carried by Isaac became entangled in the brush and was discharged, the ball entering his brother's body and causing his death in about 24 hours. Deceased was a single man about thirty five years of age.

THE SISTERS FAIR AT VANCOUVER.—A card published by A. Younger, in the Vancouver *Register*, states that the receipts of the late *Fair* for the benefit of the Orphan School, amounted to the handsome sum of $550.

[DISPATCHES TO THE OREGONIAN.]

DATES TO FEBRUARY 8.

LAST NIGHT'S DISPATCHES

Washington News.

CHICAGO, Feb. 8.—Washington specials say that Grant has been summoned before a sub-Committee on Reconstruction, who are instituting an investigation to see whether Johnson has made himself liable to impeachment by his course towards Stanton. Members of the Cabinet and newspaper correspondents will also be summoned. The Committee is determined to thoroughly probe the matter.

It is now understood the President will not publish his letter in reply to Grant. Some express the opinion that the letter will be withheld on account of the action of the Reconstruction Committee looking to impeachment. Another difficulty is stated to be, that certain members of the Cabinet refuse to indorse the President's statements alleging that Johnson has made them too strong. Seward and McCulloch unite in declining to sign the papers. It is said that Johnson insists they shall sign or resign their places.

A dispatch from Alabama says the Constitution was carried by a large majority.

In the House of Representatives, to day, the entire session was devoted to debate.

Troubles in Mexico.

The *Herald's* Mexican news, via the Havana Cable, says Pronunciamientos against the Government are multiplying. General Corona had fallen under suspicion, and a revolution had broken out in Sinaloa. Morales, who had been kidnapped, was shot by his captors on the failure to obtain the required ransom. A naval engagement is reported at Sisal. The merchants at San Luis Potosi have been released from prison, and the forced taxes have been reduced. Sinaloa has elected Garcia Morales Governor, the resignation of General Mendez having been accepted. General Jimines, in Guerrero, had decided not to heed the instructions of the General Government, and was preparing to settle the dispute with Alvarez by an appeal to arms. He intended to march against Acapulco.

Dispatches from the City of Mexico announce that Escobedo Diaz and other Generals had tendered their resignation.

The news of the victory over the revolutionists in Yucatan was received with great joy. It is stated that the prisoners in the hands of Gen. Alatowe would be shot.

The *Herald's* Havana special says: The Mexican Government has been forewarned of an intended pronunciamento in favor of Santa Anna by the garrison stationed at Vera Cruz. Troops were sent from Tobasco who arrested the ringleaders of the movement. The affair has been hushed up and the journals are silent.

The Yucatan rebels are disposed to submit to General Diaz. A number of rebel prisoners have been ordered to be put on board an English sloop of war.

There are reports that a lot of privates, under Hernandes, have been surprised on Carmen Island. They had carried off government stores. He intended to sail for Tobasco and depose the Governor of Mazatlan.

It is reported a revolution had broken out in Sinaloa. The opponents of Governor Rubio have denounced him as a usurper. Francis Palaco has proclaimed himself Military Governor and he is recognized by two-thirds of the State. Rubio marched against him and defeated him.

The election for Governor of Puebla will probably result in a new rebellion. The troubles in Guerrero, Jalisco, Durango and San Luis may cause a general struggle in Mexico.

The railroad project to unite the capital of Mexico with the United States, by a line along the gulf, has been referred to a committee of Congress.

CHAS. DICKENS' READINGS are creating quite a sensation in the Atlantic States, the proceeds of which are so enormously large that that popular author refused the sum of Twenty-five Thousand Dollars to come to San Francisco—and yet the people of Oregon continue to buy their clothing and dry-goods at the best and cheapest house in the State, which, of course, is at KOHN & FISHEL'S.

Buchtel's Photograph Gallery is the *only* establishment in Oregon that is thoroughly prepared to do *all the different styles* of work in the art. Photographs from card to life size. *The new cabinet cards, &c., &c.* Small pictures enlarged (retouched in India ink—painted in water-colors or oil by Mrs. S. J. Rumsey. Pictures that are fading can be reproduced in this way. All negatives taken in this gallery will be carefully preserved, and additional copies had. I have now on hand a very large collection of negatives, the names of which are recorded alphabetically in a book for that purpose that can be seen in the reception room.

NEW TO-DAY.

THE MUTUAL
LIFE INSURANCE COMPANY,
OF NEW YORK.

Incorporated	1842.
CASH ASSETS	$22,000,000 00
ANNUAL INCOME OVER	6,000,000 00
CASH DIVIDEND (Feb. 1, 1867)	2,124,000 75

THE MUTUAL DOES A CASH BUSINESS ONLY AND HAS NO NOTES!

What a Note Company says:

"We recommend the CASH plan as the best mode of Insurance. *None will deny this after a few years' experience of the different plans.*"—The Charter Oak Life Insurance Co. (a Note Company.)

EXPERIENCE has taught business men that CREDITS must be paid for!

IN CASH COMPANIES—The first payment is the largest, every successive year reduces the premium or increases the policy, at the option of the insured. Past records of the Mutual prove that in 15 years their *payments cease*, but DIVIDENDS continue for life.

IN NOTE COMPANIES—The first payment is the smallest—*Interest on Notes* swallow Dividends and increase the future *payments*.

OBSERVE—Notes must be paid for by higher rates and increased insurance!

DIVIDENDS—The Mutual declares Dividends the first and every successive year from the date of a policy holders' insurance. N. B.—The public should ascertain from other Insurance Companies *if* Dividends are declared annually from the start—or annually 4 YEARS AFTER insurance.

RATES in The Mutual are Lower than in any other Company doing business on the Pacific Coast—*and are considerably lower than in any Note Company.*

EVERY ADVANTAGE is offered by The Mutual—(excepting notes)—that other Insurance Companies can offer.

THE MUTUAL
IS THE OLDEST AND LARGEST LIFE INSURANCE COMPANY.

Medical Examiners:
R. OLISAN, Esq., M. D. and R. B. WILSON, Esq., M. D.

The States of "New York and Massachusetts" provide Commissioners for the public protection, to receive and examine ALL RETURNS of business transacted BY ALL Insurance Companies. Copies of these Reports and Charters are to be seen at our office, and the public are cordially invited to inspect them for guidance and instruction.

[illegible] 1867.—Mr. [illegible] the [illegible] Portland District, [illegible] a careful [illegible] of the value of our exports for the last year, and finds a [illegible] with former [illegible]. The value of the [illegible] from this city [illegible] to $4,443,-[illegible] whole [illegible] of gold [illegible] during [illegible] was $4,091,000, [illegible] total of $8,-[illegible] this year are [illegible] than any [illegible] doing, as they do, in a more [illegible] the nature and quantity of our products. The export [illegible] of Portland during 1866, was [illegible] at [illegible]. It must be acknowledged that our [illegible] incomplete, so that it would not be just [illegible] to charge the great increase shown in the [illegible] from [illegible] of trade [illegible], but [illegible] to be owing to more correct returns [illegible]. Oregon has not as yet arrived at [illegible] prosperity when the value of her exports [illegible] the amount of imports, nor can we [illegible] hope to arrive at that desired point until we have much better [illegible] for transporting our farm [illegible] to market, than we at present enjoy.

[illegible] the [illegible] of [illegible] the following items: We are informed that the [illegible] now at [illegible].—Two petitions [illegible] to the County Court this week for [illegible] in Oswego, which were refused by the [illegible] to the petitions having been [illegible] of the [illegible] of [illegible]. The State taxes of Clackamas county, [illegible], were paid over to the State Treasurer at Salem, on Monday last, by Mr. J. H. [illegible]. [illegible] of our county it may be said that this was the first [illegible] that has been [illegible] in full at that date.—Mr. L. Dillon has made all arrangements for a public ball, to be given at the court room in this city on Thursday evening next. The public [illegible] are invited.—On Monday as Mr. [illegible] Miller was driving on the road leading into [illegible] his wagon upset, or slid off the road, just above the saw mill, and went down [illegible] feet. Luckily the team [illegible] sustained [illegible] consisting of flour.

[illegible] of the Portland Fire Department, held an adjourned meeting at the [illegible] on Saturday evening, the 8th. Present [illegible], Mills, [illegible], Lyon, Mayer, and [illegible]. Messrs. Carson, Perry, [illegible], [illegible], Welch and [illegible].

The committee on Finance, to whom was referred the [illegible] of the [illegible] and Treasurer, made a report, stating that the committee had examined the books and accounts of said officers, and that they found [illegible], but that the Treasurer had made a mistake [illegible], and in favor of the D[illegible] of $27. [illegible] that [illegible] be provided with a suitable book in [illegible] to keep an account of all moneys received and paid out. The report of the committee was adopted, and the reports of the Secretary and Treasurer ordered filed.

The Board then adjourned.

FROM THE DALLES.—Mr. Blakeney, mail carrier, arrived at 5 P. M. yesterday, from the Dalles, having been on the way only [illegible]. The [illegible] over 100 lbs of letters numbering about 4,000. Mr. [illegible] informs us that snow fell at the Dalles to the depth of five inches, during Friday afternoon, and the weather [illegible] cold, with no indications of a change. The ice of the river is very thick and strong and affords an excellent surface for travel. The messengers now travel about thirty miles on the ice, thus avoiding all the worst portions of the mountain trail. Mr. J. J. Conart of Canyon City, came down with the party. A Mr. Welch is on the way down with the remains of his brother who was murdered about six weeks ago near Boise city. He has the coffin fixed on a narrow sled made for the purpose, drawn by one horse, and has [illegible] to assist him. The widowed mother of the [illegible] lives in the neighborhood of Oregon City.

POPULATION OF PORTLAND.—According to returns made from a census taken during the latter portion of 1867, the population of Portland is as follows:

Males, 21 years of age and upwards	2,043
" under 21 years	1,217
Females, 21 years of age and upwards	1,372
" under 21 years	1,105
Colored, Males	51
" Females	28
Chinese, Males	256
" Females	132
Floating population, estimated from Hotel registers, &c.	500
Total	6,717

[illegible] an increase of upwards of 900 persons during the [illegible] just [illegible].

[illegible] MAPS.—Mr. [illegible], Engineer of the Oregon Central Railroad, and his assistants have very nearly [illegible] the maps of the country lately surveyed by [illegible]. The line of the road itself, is about the only thing wanting to finish them. Having been prepared from notes and observations of their own surveys, verified by the public surveys, they are the most complete and perfect maps of the region in question, ever designed.

FROM ST. HELENS.—The steamer *Okanagan* returned from St. Helens about 4 P. M. on Saturday, having found it impracticable to proceed down the river. She went about a mile and a half below St. Helens when the ice was found to be too strong to be broken up and the attempt was abandoned.

CIRCUIT COURT.—The February term of the Circuit Court, Judge Upton presiding, will open this morning, with a full docket.

ARRIVAL OF THE EXPRESS.—Mr. T. H. Cann, Wells, Fargo & Co's messenger arrived yesterday afternoon, thirty-five hours from the Dalles. We are particularly indebted to him for copies of the *Mountaineer* and late Idaho papers. On his last trip up, while traveling with C. M. Lockwood, Mr. Cann had the misfortune to lose a favorite mare by breaking through the ice, when within a few miles of the Dalles. All efforts of the two men to get the animal again upon the ice was unavailing and after Mr. Lockwood had frozen his fingers, the attempt was abandoned, and the animal was shot.

SUDDEN DEATH.—Miss Sallie Olden, a young lady visiting with the family of her cousin, John M. Breck, of this city, was found dead in her bed, about nine o'clock, yesterday morning, having evidently expired during the night in a fit of apoplexy, to which disease she is said to have had a tendency. She had retired about ten o'clock the evening before, with apparent hesitation, as if in some indefinable dread, but in usual good health, so far as any one knew. The shock is a terrible one to her relatives here and to her wide circle of friends and acquaintances. Her parents reside in San Francisco.

RATE OF TAXATION.—Two ordinances were passed at the last session of the City Council levying taxes for the year 1868. Ordinance No. 466, levies on all the taxable real and personal property of the city, a tax of four and one-half mills per dollar, to defray the ordinary expenses of the city government. Ordinance 467, levies three-fourths of one mill per dollar, to pay interest, indebtedness and accruing expenses in the matter of the improvement of the Willamette river.

ORPHAN'S FAIR.—The Fair at Oro Fino Hall, for the benefit of the orphans under the charge of the Sisters of the Holy Names, will open on Thursday, the 13th, and continue three days. Those who are desirous of contributing to the welfare of the orphans, will have an opportunity for the exercise of their benevolence, in the donation of articles either for sale or for the refreshment tables. None should fail to give—each according to ability.

GOOD TEMPLARS AT OSWEGO.—At the regular meeting, Feb 1st, the following persons were installed as officers of Pearl Lodge, No. 72, I. O. G. T., at Oswego: L M Davidson, W C T; Mrs Ford, W V T; W H Durham, W S; Aggie McGowan, W T; Albert Walling, W F S; James McGowan, W M; Miss C A Calkins, W I G; M Monahan, W O G; Mr Moore, W C; L H C Calkins, P W C T.

OMITTED FROM THE ROLL OF HONOR.—The name of David Stearns was accidentally omitted on Saturday from the list of students in the Higher Department of the Public School, entitled to appear upon the Roll of Honor. We regret the omission, more particularly because the same thing occurred once before, in the same way.

PROBATE BUSINESS.—On Saturday in the County Court, in the matter of the estate of Sherry Ross, deceased, the final account of the administrator was filed, and an order made for the publication of the usual notice of final hearing.

PRODUCE.—Arrived per steamer *Alert* from Oregon City Saturday, 2,400 qr sks flour, 135 sks feed, 9 dressed hogs, 3 boxes eggs and 6 coops fowls.

SALE OF REAL ESTATE.—Mr. A. B. Richardson, sold on Saturday, at administrator's sale, two lots in East Portland, with residence, for $500.

MUTUAL LIFE INSURANCE COMPANY.—The Mutual Life Insurance Co., according to the report of the Superintendent of Insurance of New York, stands first in rank of the sixteen companies doing business in that State, in respect of cash assets or liability to pay losses. The same fact is shown by the Report of the Massachusetts Commissioners of Insurance. Its assets are more than double those of any other Company. It maintains the first rank, whether tested by cash assets, number of policies issued, amount insured, business transacted, excess of cash income over expenditures, amount of policies surrendered and lapsed, surplus of cash assets over liabilities, ability to pay cash dividends, or by any of the other essential requisites upon which all companies must depend for substantial and permanent [illegible]. Information as to the practical workings of the Company's system, and the advantage to be derived from insuring with it, may be obtained from any of the General or Local Agents. Butler & Heath are Agents for Oregon. Call on them at their office, corner of Front and Stark Streets.

FROM UMATILLA.—A letter from Umatilla City (Jan. 30) says that the Columbia river is frozen over at that place for the first time since 1862. The river at the present stage of water, supposed to be ten feet above low water mark, is 2,887 feet wide opposite Umatilla. The snow at that date was about seven inches deep. But one mail had got through from Portland since the cold weather set in. Wood was selling in Umatilla at $7 50 per cord.

DR. C. W. COOL,

DENTIST.

THOSE WHO DESIRE FIRST-CLASS DENTAL SERVICES might do well to give him a call. He is making a NEW AND IMPROVED VULCANITE PLATE. The nature of his improvement consists in lining the entire concave surface with fine gold; it makes the plate twice as strong and one-third times thinner than the common vulcanite plate. It also prevents the acids of the mouth from roughing the plate, and from turning it black, which is a common occurrence. One half of the common vulcanite plates turn black after being in use a short time, particularly where tobacco is used for smoking. His new style of plate admits of a very fine finish on the concave or palate surface. His office is the only place where such work can be had. The improvement is his own invention, for which he has received, December 31, 1867, a patent from the United States Patent Office. He has been making this style of work for the last two and a half years, and has specimens of the work which can be seen at his office. This work has given satisfaction in every case.

OFFICE—temporarily at the private parlor of the New Columbian Hotel. dec31-3ptf.

MARTIN LUTHER once thought he saw the devil in his chamber, and threw an inkstand at his head. Had they had in those days AYER'S PILLS to exorcise all the devils that come from a disordered stomach, his laughable fright would not have become a matter of history.

DR. HOSTETTER'S STOMACH BITTERS should be in the possession of everybody in the mining region. As a preventive of various dangerous diseases to which the gold seeker is liable, it has no superior. While it is quite palatable even as a beverage, it is speedy and powerful in its effects upon the system. In all cases of diarrhea, dysentery and the prevailing fevers consequent upon exposure, the Bitters will be found invaluable as a corrective. No man should enter upon the exposed camp life of a miner without being provided with Hostetter's preventive of stomach disease, nor should any of those who are now engaged in the occupation, fail to have recourse to the Bitters.—Sold by all druggists and dealers everywhere.

PERRY DAVIS' VEGETABLE PAIN KILLER.

THE UNIVERSAL REMEDY FOR INTERNAL AND EXTERNAL COMPLAINTS!

At this period there are but few of the human race unacquainted with the merits of the Pain Killer; but while some extol it as a liniment, they know but little of its power in easing pain when taken internally, while others use it internally with great success, but are equally ignorant of its healing virtues when applied externally. We therefore wish to say to all that it is equally successful whether used internally or externally, and it stands alone, unrivalled by all the great catalogue of Family Medicines, and its sale is universal and immense. The demand for it from India and other foreign countries is equal to the demand at home, and it has become known in those far off places by its merits.

STEAM POWER, NOS. 625 AND 627 FRONT ST.

HAS CONSTANTLY ON HAND GROUND AND ROASTED COFFEE, GREEN COFFEE of the best qualities. CREAM OF TARTAR and SPICES of all sorts.

The undersigned, who has always enjoyed public confidence for the excellent quality of his Coffee, neglects nothing to justify the good name acquired by his productions, the sale of which daily increases. The acknowledged superiority of his merchandise, which commands here, and in the markets of the interior, a relatively higher price, excites the cupidity of some manufacturers, and every day he sees increasing the number of those who, by counterfeit or imitation of his mark, seek to deceive the public, palming upon them their inferior productions for the genuine G. VENARD CHARTRES COFFEE. This fraud can deceive nobody after a trial, but only adds to the favorable [illegible] of consumers, the very flattering though unwilling testimony of the counterfeiters. Nevertheless, buyers should be forewarned, and put on their guard against this practice.

BEWARE OF COUNTERFEITS.

HOSTETTER'S

CELEBRATED STOMACH BITTERS!

A Pure and Powerful Tonic,

Corrective and Alterative, of Wonderful Efficacy in Diseases of the

STOMACH, LIVER AND BOWELS.

PROTECTIVE PROPERTIES.

Prevents Fever and Ague and Bilious Remittent Fever, Fortifies the System against Miasma and the evil effects of unwholesome water, invigorates the organs of digestion and the bowels.

Steadies the Nerves and tends to Prolong Life.

REMEDIAL PROPERTIES.

Cures Dyspepsia, Liver Complaint, Sick and Nervous Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent Fevers, Sea Sickness, Cramps and Spasms, and all complaints of either sex arising from Bodily Weakness, whether inherent in the system or PRODUCED BY SPECIAL CAUSES.

NOTHING THAT IS NOT WHOLESOME, GENIAL, and restorative in its nature, enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation contains no mineral of any kind; no deadly botanical element; no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants, with the purest and mildest of all diffusive stimulants.

The weak stomach is rapidly invigorated, and the appetite restored by this Tonic, and hence it works wonders in cases of Dyspepsia, and in less confirmed forms of Indigestion. Acting as a gentle and painless [illegible], as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretive organs.

Persons of feeble habit, liable to Nervous Attacks, Lowness of Spirits, and Fits of Languor, find prompt and permanent relief from the Bitters. The testimony on this point is conclusive, and from both sexes.

As a General Tonic, [illegible] to which must be [illegible] they can be fully [illegible]. In cases of [illegible] Weakness, [illegible] and Debility and Decrepitude arising from old age, it exercises the [illegible] influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-[illegible] and re-establish them.

Last, but not least, it is the only safe stimulant, being manufactured from sound and innocuous materials, and entirely free from the acrid elements present more or less in all the ordinary tonics and stomachics of the day.

NASBY.

MR. NASBY DELIVERS THE PRESIDENT'S MESSAGE TO HIS FRIENDS FROM MEMORY—THE IMPRESSION THAT THE DOCUMENT PRODUCED UPON A KENTUCKY CONVOCATION.

POST OFFIS, CONFEDRIT X ROADS, }
(Wich is in the State uv Kentucky,) }
December, 17, 1867. }

The Corners wuz last nite in a most delightful fever uv exsitement. I hed bin over to Seceshionville, the nearest railroad stashen, and hed axidently prokoored a copy uv a Looisville paper, containin the annyooal message uv the President, and hed heerd uv the failyour uv the impeachment project. Filled with joy inexpressible, I mounted Bascom's mule, wich I hed borrered for the trip, and rode back ez fast ez that mule could carry me. Ez I rode through the nigger settlement, near Garrettstowen, on my way back, I [illegible] help, in my exultation, shaking my fist at the white-washed cottages. "Ha! Ha!" thot I, "go on in yoor fancied secoority. Pore over yer spellin books, stumble thru yer readers, dress up yer wives and children, while ye kin, for yer time is short. The cloud is getherin over yoo—it will bust shortly. "Ha! ha!" And I struck the [illegible] into the mule and dasht on my way, the ha! ha! [illegible] demoniacally in the darkniss.

Hastily flingin miself off the animal, I strided [illegible], where, afore his blazin fire, they [illegible] all [illegible]bled.

"[illegible] Bavin," sed I, [illegible] on my knees in a [illegible].

"[illegible] wat," said the assembled congregashun.

"President Johnson has ishood a message, and he [illegible]."

"Thank the Lord!" piously exclaimed Deakin Pogram, and "Thank the Lord," they all said, [illegible] pity uv piety tis wich totally on[illegible] me.

"[illegible] the [illegible]," sed they.

"[illegible] I, but upon feelin for it, I found it hed slipt out uv my pockit on the road. Not havin much yoose for puckits I don't keep em very much in repair. "But never mind, I kin tell it to yoo ez well."

"Go on, go on," sed they with [illegible] eager[illegible].

"[illegible]," sed Joe Bigler, "I [illegible] see how the [illegible] looks after its run thru [illegible] Postmaster. Go on."

[illegible] statin that the President sot out [illegible] that the Yoonyun wuz still [illegible] uv [illegible] organidation, and that the ten [illegible] wuz not agin under the flag. [illegible] is the trooth!" [illegible] Potter, late uv the C. S. A.

"I omit all references wich he eloquently makes uv the [illegible] uv yer [illegible] extra, and pass to the only pint wich is uv interest to us. Firstly, [illegible] to Congress that they take the [illegible] Deakin Pogram.

[illegible] work wich they hev been doin in [illegible] his policy, he, to [illegible] arrived, [illegible] promptly. He [illegible] at length [illegible] the fact that the Constitooshen guarantees [illegible] the State a Government Republican in form; [illegible] his corpins. I [illegible] the argyment that follows, [illegible] inferred. It's ez he's pleadin for— [illegible] yard. How kin a State hev a [illegible] in form, who one-half uv [illegible] which the [illegible] of the tother half [illegible] be kep in a state of Skiptooral servi[illegible] about free, and [illegible] ez they [illegible] by an easy transishen, he dips [illegible] holds [illegible] are so [illegible] they kin elect a Presi[illegible] ain't fit to exersize the franchise, [illegible] whose minds [illegible] who possess [illegible] privile[illegible] [illegible] who are [illegible] and who hev [illegible] so that it kin [illegible] said Joe Bigler. "Agreein' [illegible] the [illegible] who [illegible] this [illegible] I want all that hez [illegible] on that had [illegible] the pas[illegible] I don't [illegible] [illegible]

"[illegible] the [illegible] in [illegible] will prevent us [illegible]

Go on, I only [illegible] at the [illegible] facts don't bear him out."

[illegible] while he wuz [illegible], and then [illegible] I waited till [illegible] "Go on," sed they.

[illegible] "I hev forgot the text, [illegible] I kin give you. The fust [illegible] no more then he [illegible] that the [illegible] takin him [illegible], and that ab[illegible] is con[illegible] that of the niggers ain't ez [illegible] to be, and the sooner we git [illegible] the [illegible] left upon my [illegible].

[illegible] Pogram objected to the use uv the word [illegible]. He hed allus treated his niggers [illegible]. He mite hev knocked em down [illegible] occasionally; and mebbe in his [illegible] days hev been somewhat too free with the [illegible], but he never more than he felt wuz necessary, and [illegible] uv em good ez well ez he cood. The [illegible] struck out.

[illegible] wuz yoonanimusly past, and the [illegible] itself into its orijinel ele[illegible]. Deakin Pogram felt he wuz justified in [illegible] the drinks for the party; so also wuz [illegible] Bavis and others, and thus the thing [illegible]. TO THE UNFORTUNATE.

NEW REMEDIES, NEW REMEDIES

Dr. Gibbon's Dispensary,

616 KEARNEY STREET, NEAR COMMERCIAL, San Francisco. Established in 1854, for the treatment of Sexual and Seminal Diseases, such as Gonorrhoea, Gleet, Stricture, Syphilis in all its forms, Seminal Weakness, Impotency, etc. Skin Diseases (of years standing) and Ulcerated Legs successfully treated.

Horrible Diseases.

How many thousands of persons, both male and female, are there who are suffering out a miserable existence from the effects of secret indulgence, or from virus absorbed into the system. Look at their pallid, emaciated and disfigured faces and their broken-down constitutions, disqualifying them for the happiness of marriage or the enjoyment of life. In this horrid situation thousands suffer until death closes the scene. Let parents, guardians, friends, attend to those who are suffering with any of these horrible life-destroying maladies—see that they are cared for and cured before it be too late. Send them immediately to Doctor Gibbon, a physician who has made private disease his especial study for years, and who is certain to cure the most inveterate cases without mercury or any injurious drugs. It is important to those who are afflicted, or to those who are interested in the welfare of their friends, to be careful of the many pretended doctors who infest all cities, publishing their skill in curing all diseases in a few days, imposing upon the public by using the names of eminent physicians from Europe and other places. Be therefore careful and make strict inquiry, or you may fall into the hands of those charlatans.

Seminal Weakness.

Seminal Emissions, the consequence of self abuse. This solitary vice, or depraved sexual indulgence, is practised by the youth of both sexes to an almost unlimited extent, producing, with unerring certainty, the following train of morbid symptoms, unless combatted by scientific medical measures, viz: Sallow countenance, dark spots under the eyes, pain in the head, ringing in the ears, noise like the rustling of leaves and rattling of chariots, uneasiness about the loins, weakness of the limbs, confused vision, blunted intellect, loss of confidence, diffidence in approaching strangers, a dislike to form new acquaintances, a disposition to shun society, loss of memory, hectic flushes, pimples and various eruptions about the face, furred tongue, fetid breath, coughs, consumption, night sweats, monomania and frequent insanity. If relief be not obtained, should apply immediately, either in person or by letter, and have a cure effected by his new and scientific mode of treating this disease, which never fails of effecting a quick and radical cure. Dr. G. will give One Hundred Dollars to any person who will prove satisfactorily to him that he was cured of this complaint by either of the San Francisco quacks.

MARRIED MEN,

Or those who contemplate marriage, who are suffering under any of these fearful maladies, should not forget the sacred responsibility resting upon them nor delay to obtain immediate relief.

TO THE LADIES.

The various complicated and distressing diseases incident to females, treated with eminent success. Such as Suppressions, Irregularities, Whites, Falling of the Womb, Tumors, all Urinary Diseases, Nervous Debility, Painful or Difficult Menstruation, Barrenness, etc., will be speedily cured, without poisonous drugs, injurious or unpalatable medicines of any kind. Have no delicacy in calling, no difference what your troubles may be. The afflicted are cordially invited to call and satisfy themselves.

Persons calling at Dr. Gibbon's office or sending for packages of medicines, may rely upon his assurances of confidential secrecy with implicit faith, and expect no more than to be charged with a fair, and mutually satisfactory remuneration for services rendered, considering the circumstances and difficulties of cases, rather than a too prevalent and selfish practice of extortion among quacks and pretenders.

DOCTOR GIBBON is responsible, and will give to each patient a written instrument, binding himself to effect a radical and permanent cure, or make no charge.

CURED AT HOME.

Persons at a distance may be CURED AT HOME, by addressing a letter to Dr. Gibbon, stating case, symptoms, length of time the disease has continued, and have medicines promptly forwarded, free from damage and curiosity, to any part of the country, with full and plain directions for use, for Ten Dollars, sent in registered letter or through Wells, Fargo & Co.

Address DR. J. F. GIBBON, 616 Kearney street, corner Commercial, San Francisco. Post Office Box 252.

REMEMBER TO PUT BOX 252 ON THE LETTER.

Consultations FREE.

Correspondents will please inform DR. GIBBON that they read his advertisement in the *Daily Oregonian*.

HIRAM SMITH'S Ophthalmic Panacea!

IN BRINGING THE ABOVE-NAMED NEW REMEDY to the notice of the Public, the Proprietor begs to state a few facts in relation to it, as follows:

It originated in Prussia, where the science of Medicine is so thoroughly taught and practised, but owing to the poverty of its discoverer its wonderful properties were not known beyond the limited circle of his acquaintance, in which, however, it proved itself absolutely infallible in eradicating disease from the eyes.

He immigrated to this country, bringing his discovery with him, but seems to have been indifferent to the propriety of giving it general and wide-spread circulation and, as previously in his native country, seemed only desirous of using it among his friends and neighbors.

The present proprietor was one of those neighbors, and for many years was a witness to its wonderful efficacy, and, after ineffectual efforts to persuade the inventor to more widely disseminate the knowledge of its virtues, finally became himself the possessor of the secret of its preparation.

And now, while he does not deny that he hopes and expects to make money by its sale, he must yet lay claim to a desire to benefit his fellows by presenting to them a remedy *which does and will cure where medical science* and all experience have failed.

He wishes it to be understood that it will cure *all diseases of the eye*, whether of recent or long standing; but its greatest power is exhibited when it is applied to old *Chronic Cases* of long standing, which have resisted every other attempt to cure them, and which have been given up as hopeless and past being cured or relieved.

He asks those afflicted in this way to give it a trial, and so confident is he of its success that he instructs all his agents TO REFUND THE MONEY IF IT FAILS TO CURE.

It has, within the past year, cured cases of GRANULATED LIDS, INFLAMMATION, &c., of FIVE, SIX, NINE, FIFTEEN and SEVENTEEN YEARS STANDING, evidence of which fact is furnished in the testimony of the following persons, living at and in the neighborhood of Harrisburg, Linn county:

ALEXANDER L. WALKER was cured of inflamed eyes, of nine years standing. Had been treated by eminent physicians during all that time without effect.

Mrs. MONTGOMERY, of Harrisburg, had inflamed eyes for over two years. For one year they were so bad that she could not work. Was finally completely cured by the Ophthalmic Panacea.

E. B. MOORE, of the firm of Moore, Garst & Baber, of Harrisburg, had granulated lids for six years.

NATHANIEL BELL, of Clackamas county, had inflamed eyes—a bad case—for over fifteen years.

ROBERT RAMPEY and W. D. PORTER, of Harrisburg; JOHN M. HOLLOWAY, of Linn County; G. R. WARD, of Lane County, were all afflicted, more or less severely, with diseased eyes, and were cured by the Ophthalmic Panacea.

All the above named persons have given lengthy testimonials to the facts as above stated, which may be seen at the proprietor's office in Harrisburg.

REDINGTON & CO'S ESSENCE OF JAMAICA GINGER

This valuable preparation, containing, in a highly concentrated form, all the properties of the Jamaica Ginger, has become one of the most popular domestic remedies for all diseases of the stomach and digestive organs.

As a tonic, it will be found invaluable to all persons recovering from debility, whether produced by fever or otherwise, for, while it imparts to the system all the glow and vigor that can be produced by wine or brandy, it is entirely free from the reactionary efforts that follow the use of spirits of any kind.

It is also an excellent remedy for females who suffer from difficult menstruation, giving almost immediate relief to the spasms that so frequently accompany that period.

It gives immediate relief to Nausea, caused by riding in a railroad car, or by sea sickness, or other causes. It is also valuable as an external application for Gout, Rheumatism, Neuralgia, etc.

Sold by Druggists everywhere, and at wholesale by REDINGTON & CO., Agents for the Pacific Coast, San Francisco. je24d7m4p

DR. J. C. YOUNG,

Medical and Surgical INSTITUTE.

⁂ *CONSULTATION, IN ALL CASES, FREE.*

⁂ *CURES GUARANTEED, OR NO PAY REQUIRED.*

⁂ *IN ALL CASES WHERE CONFIDENCE IS REQUIRED THE UTMOST SECRESY MAINTAINED.*

The above rules, established by Dr. J. C. Young in 1850, and which have done so much to secure the reputation of this Institute, are still adhered to, affording those in need of medical aid, the certainty of cure and the utmost confidence.

There is nothing of so great importance to the sick as to know where to find a physician whose skill and humanity give assurance of proper and delicate treatment. The Doctor would respectfully call the attention of those of both sexes who are suffering or in trouble to the invariable success that has marked the career of the Institute in the seventeen years of its existence.

It is unnecessary in this connection to enumerate all the complaints treated at the Institute, but the Doctor feels it his duty to call especial attention to that terrible scourge,

SEMINAL WEAKNESS,

That is sapping with its insidiousness the very life of its victims; in the treatment and cure of which the Institute has earned so enviable a reputation.

READ! READ!

I am aware that by dwelling upon so uninviting a subject as the decay of manly vigor through the loss of the vital principle of life, the ignorant may asperse my motive; but the desire to point out to those who suffer, languish and decay, the true causes of their affliction, is too great an incentive to be forced into silence. How extended the terrible disease of Seminal Weakness is, no one but the practical specialist who devotes his time to its treatment can tell; but its presence can be detected by the most inexperienced by noting the following symptoms; Weakness of the back and limbs; [illegible] feelings, loss of muscular power, nervousness, irritability; cold feet or hands, [illegible] by hot head; symptoms of consumption; short breath; flashings of the face; aversion to society; confusion of the mind; loss of [illegible] nightly emissions; colorless; slight discharge upon the least [illegible]; palpitation of the heart; irregular appetite; variable temper, etc.

YOUNG MAN, if you experience any of the various symptoms enumerated above, pause to consider. The [illegible] health and [illegible]. You may feel [illegible] now, but if you have ever practiced the vice of self [illegible] in the [illegible], you have the seeds of weakness in your system, and their undermining influence will, sooner or later, dash the fair edifice of your strength to the ground, leaving you a helpless, abject being. It is not a disease that [illegible] itself at once. [illegible] est danger; for while the patient is being treated for some affection of the Heart, Lungs, Brain, or Digestive functions, he sinks into a [illegible] debility that soon adds him to the list of the victims of the terrible disorder, Seminal Weakness.

See in the bent form and languishing steps, the poor victim of the [illegible] vice! Mark the course of the destructive complaint in the hollow cheek and dull eye!

Drowsiness is one of the [illegible] symptoms. At first it is easily shaken off, but it grows eventually into a great disinclination to pursue his regular business. The mind becomes apathetic, and restless nights [illegible] days of depression.

It is the nature of the complaint to [illegible] changes that leave the poor victim but little hope of recovery. In a single instant it may wither your fond [illegible] and blast your honest aspirations.

Marriage is sought by a natural impulse as a hope of relief. This is an error of the first magnitude, for the system, unprepared for the exigencies of the occasion, suddenly fails, and he finds himself in a deplorable condition, from which there is but the slightest hope of recovery. Or if the [illegible] should result in offspring, they are puny, [illegible], decrepid, and degenerate. This is applicable to both sexes, whether married or single, and to all times of life.

Do not delay if you feel any of the symptoms of the terrible complaint, or if your acts have been such as to lead to them, but by instant application secure to yourself the only hope of health and happiness. The Doctor uses no mercury or other deleterious drugs—cures, when taken in time, always guaranteed, and full and proper vigor restored.

The afflicted are assured of every confidence.

PERSONS AFFLICTED WITH VENEREAL.

During the seventeen years since the establishment of the Institute, the number of cases of Venereal that have been treated, show a record unsurpassed by any hospital in the world, and the success that has invariably marked the course of treatment,

Without Mercury or other Deleterious Drugs,

Shows conclusively the use of them to be not only uncalled for, but actually dangerous, for it is a thoroughly established medical principle that those poisonous drugs, by entering the blood, ruin the constitution and destroy life.

The Doctor effects a cure in recent cases, in a few days, and finds no difficulty in curing those of long standing, without submitting the patient to such treatment as will draw upon him the slightest suspicion, or oblige him to neglect his business, whether in doors or out. The diet need not be changed. Cures always guaranteed, or no pay required.

IMPORTANT TO FEMALES.

When a female is in trouble or afflicted with disease, and requires medical or surgical assistance, the inquiry should be, "Where is there a physician competent to administer relief, and whose respectable standing in society will recommend him to the confidence of the community?" The Doctor, understanding how imperatively necessary these requirements are, feels called upon to interpose, and by calling the attention of the afflicted to the fact that he has been a Professor of Obstetrics and Female Diseases for twenty years, and is fully qualified to administer in all cases, both medically and surgically, not in a superficial manner, but in as thorough a manner as years of study and practice—both in hospitals and private families—can make, to save them from the hands of the unqualified, unscrupulous or designing. Therefore, families can rely upon him as upon a father. All in affliction can find in him one who can feel and sympathize with and befriend them in trouble—one in whose secrecy the utmost confidence can be placed—consultation by letter or otherwise, free. Cures guaranteed in all weakness and trouble incidental to the sex. Private apartments are provided, when desired, where can be had all the advantages of unremitted attention of the Doctor, and the most skillful and and faithful nurses.

TO CORRESPONDENTS.—Persons, either male or female, residing in the interior, are often deterred from consulting the Doctor because they cannot spare the time, nor incur the expense of a visit to the city. To such he would say that a plain statement of the symptoms and information bearing upon the complaint, will enable him to prescribe for them so that they can be cured at home. None need have any false delicacy about writing, no matter what the nature of their complaint, as the communication will be seen by no one except the Doctor, and will be treated with the utmost confidence, and either be returned or destroyed.

Consultation Free.
